PUBLIC SERVICE
COMMISSION

Dear Sir:

I have reviewed the location proposed for a wireless telecommunications facility, Case Number 2006-00010. Using the maps provided by Todd R. Briggs, Briggs Law Office, PSC, Attorney for Nextel Partners, Inc., my staff has concluded the tower would not be located on National Forest Lands. It also appears that access across National Forest Lands is not required. Since no Federal property is affected, the Daniel Boone National Forest has no comments on this proposal.

If the proposed tower location or access road location changes, we would like to be notified so we can determine whether National Forest Lands would be involved.

Sincerely,

WILLIAM P. LISOWSKY
Acting Forest Supervisor

Cc: Todd R. Briggs, Attorney for Nextel Partners, Inc.
